

Beloved El Morya Chohan (Lord) of the First Ray

🔥 El Morya's main focus is the first ray (blue) of leadership, constancy, goodwill, courage, and faith. He presides as Chief of the Darjeeling Council and helps Earth's leaders to serve their fellowman with honor and integrity.

🔥 Some of his embodiments include Abraham, Old Testament patriarch; Melchior, one of the Three Magi; Akbar the Great, mogul king; King Arthur of the Round Table; Thomas Becket, priest and martyr; Sir Thomas More, lawyer and statesman; and Thomas Moore, poet.

🔥 Through the ages he has modeled, for all to see, the attributes of upholding the law and living a principled life devoted to God's will, wisdom and love. This he continues to do from higher realms with *virya*,* humor, and a sparkling clarity offered as his gift of Self to the God-flame in all.

🔥 Feel his presence as you meditate upon the music "Pomp and Circumstance" by Sir Edward Elgar. Ask in your heart to attend classes at his etheric retreats over Darjeeling, India and El Capitan in Yosemite, CA, U.S.A. in your finer body as you sleep. Gemstones associated with El Morya are diamond, sapphire and lapis lazuli. His flower is the forget-me-not.

*Come, O diamond will of God, within my aura blaze.
Now radiate protection here; all life on Terra raise!*
